

# CERAKOTE BASIC PRICES

**Pricing does not reflect any disassembly/reassembly (gunsmith) work.**

**Most materials can be painted except rubber. Non-firearm items can also be done.**

- Pricing may need to be adjusted. If your quote is different, you will be notified beforehand.
- If the color you request is not on hand, additional lead time is needed to acquire said color.

## **1. SINGLE COLOR – STANDARD MAIN PIECES - \$50/per**

Each standard size main piece. Price is for one standard color.

- Examples: pistol slide, frame, AR style lower, upper, hand guard, stock, barrel, etc.
- Some pieces may cost more due to the intricacy of the part itself and or overall size.

*\*Multiple piece stocks, barreled receivers, hand guards, two-piece receivers, etc.*

## **2. TWO – FOUR COLOR – STANDARD MAIN PIECES - \$125/per**

Patterns and camo's that are 2-4 colors. BDU and other camo's, animal print, worn/aged, etc.

- Price is for one piece and pattern/design. Multiple pieces done at the same time are discounted.
  - Discount of \$25 applies to third (+) additional main pieces. Example: 3 pieces (\$125+125+100)
- Any patterns not readily available and or require design work will incur a design fee.
- Color-fill of difficult areas or areas requiring excess taping may incur and additional fee.

## **3. CUSTOM COLORS & MULTI-STAGE COLORS - \$75-\$100/per**

Estimate is per main piece but can differ based on actual request.

Custom colors and multi-stage colors like color-shift, candy, etc. vary in time as such pricing will vary.

- Price will vary on the color/end color(s) and the total number of pieces.
- Multiple stages including clear coat will create a thicker overall exterior coating. Please keep this in mind when deciding on your finish.

*\*Color-matching is not guaranteed as every color is slightly different every time it is completed.*

*\*Updated October 2023. Pricing may change at any time.*
