

LASER CUTTING PRICES

Pricing does not reflect any disassembly/reassembly (gunsmith) work or re-finishing.

1. STANDARD WINDOW CUT - \$75/per

Each Window; Top Hole Cuts, Side Window Cuts, and any similar Cut-Throughs.

a. Price is Per Standard Window: (Rectangle/Square with Round or Straight Edges.)

* *Window Cuts are not beveled.*

2. CUSTOM WINDOW CUT - \$75/per + Design Fee

Each Window; Top Hole Cuts, Side Window Cuts, and any similar Cut-Throughs.

a. Price is Per Window: (Angled, Irregular Shaped, etc.)

b. Design Fee depends on time spent to design the cut on the part itself. Not to exceed \$85.

* *Window Cuts are not beveled.*

3. STANDARD VERTICAL SIDE SERRATIONS - \$145

Both Sides of the Slide with matching OEM Glock Style Vertical Serrations.

a. Serrations that Laser Around OEM Markings are an Additional cost of \$35-50.

4. STANDARD TOP HORIZONTAL SERRATIONS - \$90

OEM Glock Style Serrations on the top of the slide to match the OEM Sides.

a. Serrations will not cut over the rounded area on the corners of the slides.

b. Per request, we may laser over the radiused corner with an Additional fee not to exceed \$50.

* *Lasering on not flat areas (radiused) may not produce the look you want.*

5. CUSTOM SIDE SERRATIONS - \$145 - \$165 + Design Fee

Both Sides of the Slide with Matching Custom Designed Serrations.

a. Serrations that Laser Around OEM Markings are an Additional cost of \$35-50.

b. Design Fee depends on time spent to design the cut on the part itself. Not to exceed \$85.

6. CUSTOM PACKAGES – Price based on Design + Design Fee

We can package any type of custom cut-through or pattern design.

a. Standard Design Fee is \$75/per hour. Depending on total time, the design fee may be discounted.

b. Based off the approved design, the price for the custom package will be provided before lasering.
